EX PARTE APPLICATION AND [PROPOSED] ORDER CONTINUE DISCOVERY TO 14 **DEADLINE** VS. 15 MICHAEL ANDERSON, CASEY MARA. JOSEPH PATTON, 16 Complaint Filed: 4/15/2024 Defendants. 17 18 19 20 Defendants MICHAEL ANDERSON, CASEY MARA, and JOSEPH PATTON ("Defendants") 21 hereby submit the following Ex Parte Application. 22 On April 22, 2025, the Court issued an Order that set a discovery deadline of August 22, 2025, 23 and a deadline to file a Motion for Summary Judgment of November 14, 2025. ECF 40. At the time the 24 Order was issued, defense counsel was preparing for a two plus week trial that was scheduled to start the 25 following week. Defense counsel overlooked the deadlines set forth in that Order. (ECF 44, Camy Decl., 26 ¶ 8.) Further, defense counsel's assistant was out of the office the day the Order was issued and due to an 27 oversight, the Order was not calendared. (Id.) As a result, the discovery deadline has passed and 28 Defendants did not complete discovery before the deadline.

Notably, on September 10, 2025, after the discovery deadline, Plaintiff served written discovery on Defendants. Those responses are pending. (ECF 44, Camy Decl., ¶ 7.) Thus, Plaintiff has also blown the deadline to complete discovery.

On September 25, 2025, my associate contacted Plaintiff via telephone to discuss the discovery schedule. Plaintiff refused to discuss the issue or stipulate to a different deadline, necessitating this ex parte. (ECF 44, Camy Decl., ¶ 8.)

Given that none of the parties were able to complete discovery before the discovery deadline, the parties would mutually benefit from a continuance of the discovery deadline. Further, Defendants request the Court continue the deadline to file a Motion for Summary Judgment, as Defendants need to complete discovery before filing the Motion. Defendants request the Court continue the deadlines to:

- 1. Deadline to complete discovery: January 30, 2026
- 2. Deadline to file a Motion for Summary Judgment: April 30, 2026

Defense counsel profusely apologizes to the Court and accepts responsibility for this oversight. Defendants would be unduly prejudiced if the deadlines are not continued as they will not have an opportunity to conduct discovery and will not have the benefit of discovery to prepare their Motion for Summary Judgment. Continuing the deadlines will also be an efficient use of judicial resources as it will allow Defendants to fully litigate a Motion for Summary Judgment, which could eliminate some or all claims and/or narrow issues for trial.
